The students will have to take a written test followed by our head teacher's oral assessment. Once both tests are taken the level and class will be assigned. Students will be consulted which day and time fits them better. If the class is available on their preferred days and time they will be placed on that class. Given the chance that we do not have the class on their preference, we will inform the student of the options that we currently have available.

Requirement of Photo and Identity Document: For the purpose of maintaining a secure and trustworthy educational environment, United Languages of America requires all students to upload a recent photograph and a valid identity document to their profile on our portal.
